This announcement is made by IPE Group Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Part XIVA of the Securities and Futures Ordinance, Cap. 571 of the Laws of Hong Kong (“**SFO**”).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that according to the preliminary review over the drafted financial information of the Group for the six months ended 30 June 2019 prepared by the Company’s management and the information currently available to the Board, the net profit of the Group for the six months ended 30 June 2019 is expected to decrease by approximately 55% to 65% as compared to the same period in 2018.

* For identification purposes only

The Board believes that decrease in the net profit of the Group for the six months ended 30 June 2019 is mainly attributable to (i) a significant decline in sales of hard disk drivers components due to a weak market for hard disk drivers; (ii) a decrease in sales of automotive and hydraulic equipment components, which is directly and indirectly affected by the Sino-US trade conflicts; and (iii) a decrease in gross profit, triggered by reduced efficiency in economics scale due to a drop in the overall sales.

As the Group is still in the process of finalizing its interim results for the six months ended 30 June 2019, the information divulged in this announcement is only based on preliminary assessment by the Company's management according to the latest unaudited management accounts of the Group, which is not reviewed by the audit committee of the Company. Further details of the Group's performance will be disclosed in the Group's interim results announcement for the six months ended 30 June 2019 to be announced in August 2019.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
